

MERIDIAN ROBOTICS, INC.

2023 Annual Report

Fiscal Year Ended December 31, 2023

Letter to Shareholders

Fiscal 2023 was a record year for Meridian Robotics, driven by strong demand across all business segments. We expanded our installed base of industrial automation systems and deepened customer relationships in logistics and manufacturing.

We enter fiscal 2024 with a robust order backlog and disciplined cost management.

Financial Highlights

Meridian Robotics reported total net sales of \$42.5 billion in fiscal 2023, an increase of 8% from \$39.4 billion in fiscal 2022.

Operating income rose to \$9.1 billion, and diluted earnings per share were \$4.18.

Management's Discussion and Analysis

Meridian's gross margin was 38.2% in fiscal 2023, compared with 37.0% in the prior fiscal year. The improvement was driven by favorable product mix and manufacturing efficiencies.

Research and development expense was \$5.2 billion, or 12% of net sales.
